

# Thank You

**to all the Pilots in the World that helped  
make the Little John Famous!**

**THE LITTLE JOHN** Portable Urinal and "Lady J" Female Adapter funnels were designed to address the pressing problem of public urination.

---

## **When there is a**

Lack of Clean, Hygienic Public Restrooms,  
Unavailability of Facilities, Camping In The Wild,  
Trouble Squatting or Hovering Because of Health  
Issues, Bed-Ridden Patients To Pregnant Women to  
People Always on the Move and Handicapped People

A unique design to help everyone, from,  
urinate comfortably, cleanly, and easily.

*A portable urinal featuring unbreakable,  
reusable plastic, a spill-proof cap.*

We started selling the little john products **30+ years** ago to lite single engine aircraft pilots, planes with no bathrooms, was our training sites.

Then, it expanded to selling in pilot shops at airport fixed base pilot stores and sporting goods stores like bass pro shops stores, cabelas, sporty's and now many locations in the united states and overseas such as fishing, hunting, boating, rv stores, and more.
